

22 October 1956

STATINTL

Dear [REDACTED]

STATINTL

I have delayed writing to you until after [REDACTED] visit, in anticipation of some firm news regarding a visit by you this Fall.

Our estimate is now scheduled for completion the latter part of November. If you still feel that the Spring of 1957 would be a suitable time for our projected conference, we would welcome a visit from you around the first part of December, to discuss agenda items and other administrative details.

We received with great interest the papers you forwarded in August, and are most appreciative. We have no pertinent studies to exchange at this time, but anticipate having some papers available in the near future.

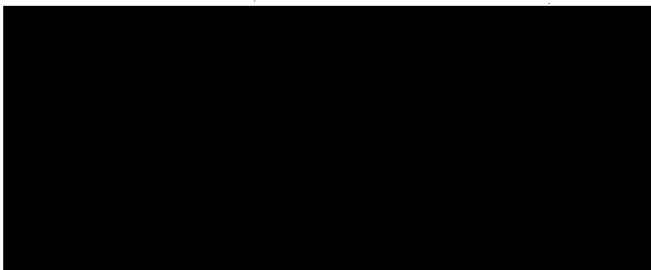

STATINTL

We enjoyed [REDACTED] visit and are looking forward to seeing you at your earliest pleasure.

Yours sincerely,

GEORGE H. WILSON
Chairman, GMIC
